It is distinctly stated that they will not take part in the actual work of collection. As apparently these officers are to contribute their labour on the Committee in their capacity as devotees of the temple, there seems to be no objection and permission may be granted.

I have the honor to bring to your notice the existence of an Ancient and Historical Temple called the "Vallabharayaswami Temple" in the village of Vasantapur, Bangalore Taluk, about 3 miles from the Basavangudi Extension.

2. The village in question is an Inam one owned by Mr. M.L. Shamegowda, a private gentleman, but the temple has all along been and still continues to be under the management of Government and is in receipt of a Tasdik of Rs.153-7-9 per annum from Government as noted in the margin.

1. Archaka.	Rs.27- 6- 0
2. Parcharaka.	5-11- 0
3. Kolkar.	14- 7- 0
4. Parpathegar.	5-11- 0
5. Deeparadana.	21-12- 0
6. Bajantri.	18-12-0
7. Kumbarathi.	7- 3- 0
8. Rathotsava.	44- 3- 6
9. Hechukatle.	8- 6- 3
	Rs.153- 7- 9

3. Though the Temple is situated close to the Bangalore City, it has for want of timely care and attention, been allowed to fall into disrepair, so much so, that if timely precaution is not at once taken the whole building including the inner shrine (garbhagudi) is likely to come down in the near future. The present deplorable condition of the temple building has been brought to the notice of the Muzroy Superintendent and Joint-Secretary to Government during his last visit to the place on 27th January 1918.

4. The temple commands a wide sphere of devotees, who are, if possible, most anxious to arrest further dilapidation, and with this object have met at the Temple many a time and organized several meetings. At a recent meeting in January last at which so large a gathering as 500 devotees were present a Committee of

the following gentlemen was unanimously elected to look to the immediate needs of the Temple:--

Honorary President.

Mr. H. Ramayya,
Retd. Assistant Secretary,
Chamarajapet.

Joint Hon. Secretaries,

Messrs.

Y. Narasinga Rao, B.A. B.L.,
B.S. Ranoji Rao, B.A.
L. Shamegowda and
B. Suryanarayan Sastri, Amildar

Hon. Treasurer. Mr. Thimmegowda, Contractor.

with some fifteen others, both official and non-official, as members (vide copies of proceedings appended).

5. It has been ascertained by a rough estimate made with the help of Mr. V.H. Karve, Retd. Superintending Engineer, of the most urgent repairs necessary for preserving the ancient temple from immediate ruin that some Rs.10,000/- would be required. The non-official members of the Committee. who are anxious to maintain this devotional institution in a state of repair, have undertaken to collect subscriptions from the devotees and others and efforts till now made by them have been fairly successful, in as much as promises to the extent of Rs.3,000 were secured and a sum of Rs. ~~1,424~~ nearly has already been collected. A sum of Rs.1,~~100~~ out of the collections has been deposited in the Government Savings Bank in the name of the Amildar of the Bangalore Taluk and the remaining sum of Rs.~~400~~ is kept as deposit in my name in the Central Co-operative Bank, Ltd., Bangalore City.

6. As expensive undertakings of this kind which are of public interest cannot be made to depend for their success on purely private enterprise, the devotees of the temple are desirous of approaching

approaching Government in the Muzrai Department, through their representative Committee with a prayer for a grant of half of the estimated cost namely Rs.5,000 of the renovation of the temple. Such grants from Government have always been, I may submit, made to Muzrai Institutions of similar importance.

7. They further request that Government may be pleased to graciously allow the Amildar and the other official gentlemen to accept membership on the Committee. A reference on this point has become necessary as the Amildar, though as the Muzrai Head of the Taluk is expected to preserve the Ancient Temple, has written to say that he cannot sit on the Committee without the express sanction of Government under the latest orders in force and as the other official members express similar hesitation. The Committee have therefore resolved to approach Government with the prayer that all the Government Officials who have been elected to be on the Committee as members may be allowed to work on it.

8. Government are fully aware that for enterprises of a somewhat elaborate nature great stimulus is necessary and such a stimulus and incentive can best be assured only by responsible Government Officers being allowed to serve on Committees which are meant for progress and improvement. These Government Officers will take no personal interest in the collection of monies but will only guide and help the Committee with their mature experience and advice.

9. On behalf of the large body of devotees of this time-honored temple, the Committee will ever be grateful to Government (1) for their sanction of a grant of Rs.5,000 equal to the amount to be contributed by the public for the <u>urgent</u> repairs of the temple building and (2) for their permission to the Government Officers elected to serve on the Committee.

10. As President of this Committee, I submit this representation for the most gracious and generous consideration of Government and trust that it will receive their favourable consideration and meet early orders.

11. Copies of the resolutions of the Committee are enclosed for kind perusal together with a sketch and rough estimate for the repairs.

I have the honor to be,

Sir,

Your most obedient servant,

Hon. P r e s i d e n t.

To

P.F. Bowring, Esq.,
Deputy Commissioner Bangalore District.

Bangalore

Sir,

I have the honor to bring to your notice the existence of an Ancient and Historical Temple called the "Vallabharayaswami Temple" in the village of Vasantapur, Bangalore Taluk, about 3 miles from the Basavangudi Extension.

2. The village in question is an Inam one owned by Mr. M.L. Shamegowda, a private gentleman, but the temple has all along been and still continues to be under the management of Government and is in receipt of a Tasdik of Rs.153-7-9 per annum from Government as noted in the margin.

1. Archaka.	Rs.27- 6- 0
2. Parcharaka.	5-11- 0
3. Kolkar.	14- 7- 0
4. Parpathegar.	5-11- 0
5. Deeparadana.	21-12- 0
6. Bajantri.	18-12-0
7. Kumbarathi.	7- 3- 0
8. Rathotsava.	44- 3- 6
9. Mechukattle.	8- 6- 3
	Rs.153- 7- 9

3. Though the Temple is situated close to the Bangalore City, it has for want of timely care and attention, been allowed to fall into disrepair, so much so, that if timely precaution is not at once taken the whole building including the inner shrine (garbhagudi) is likely to come down in the near future. The present deplorable condition of the temple building has been brought to the notice of the Muzroy Superintendent and Joint-Secretary to Government during his last visit to the place on 27th January 1918.

4. The temple commands a wide sphere of devotees, who are, if possible, most anxious to arrest further dilapidation, and with this object have met at the Temple many a time and organized several meetings. At a recent meeting in January last at which so large a gathering as 500 devotees were present a Committee of

the following gentlemen was unanimously elected to look to the immediate needs of the Temple:--

Honorary President.

Mr. H. Ramayya,
Retd. Assistant Secretary,
Chamarajapet.

Joint Hon. Secretaries,

Messrs.

Y. Narasinga Rao, B.A. B.L.,
B.S. Ranoji Rao, B.A.
L. Shamegowda and
B. Suryanarayan Sastri, Amildar

Hon. Treasurer. Mr. Thimmegowda, Contractor.

with some fifteen others, both official and non-official, as members (vide copies of proceedings appended).

5. It has been ascertained by a rough estimate made with the help of Mr. V.H. Karve, Retd. Superintending Engineer, of the most urgent repairs necessary for preserving the ancient temple from immediate ruin that some Rs.10,000/- would be required. The non-official members of the Committee, who are anxious to maintain this devotional institution in a state of repair, have undertaken to collect subscriptions from the devotees and others and efforts till now made by them have been fairly successful, in as much as promises to the extent of Rs.3,000 were secured and a sum of Rs. ~~1,424~~ 2239-10-0 nearly has already been collected. A sum of Rs. ~~1,100~~ out of the collections has been deposited in the Government Savings Bank in the name of the Amildar of the Bangalore Taluk and the remaining sum of Rs. ~~400~~ (1239-10-0) is kept as deposit in my name in the Central Co-operative Bank, Ltd., Bangalore City.

1239-10-0
1267 0-0

6. As expensive undertakings of this kind which are of public interest cannot be made to depend for their success on purely private enterprise, the devotees of the temple are desirous of approaching

approaching Government in the Muzrai Department, through their representative Committee with a prayer for a grant of half of the estimated cost namely Rs.5,000 of the renovation of the temple. Such grants from Government have always been, I may submit, made to Muzrai Institutions of similar importance.

7. They further request that Government may be pleased to graciously allow the Amildar and the other official gentlemen to accept membership on the Committee. A reference on this point has become necessary as the Amildar, though as the Muzrai Head of the Taluk is expected to preserve the Ancient Temple, has written to say that he cannot sit on the Committee without the express sanction of Government under the latest orders in force and as the other official members express similar hesitation. The Committee have therefore resolved to approach Government with the prayer that all the Government Officials who have been elected to be on the Committee as members may be allowed to work on it.

8. Government are fully aware that for enterprises of a somewhat elaborate nature great stimulus is necessary and such a stimulus and incentive can best be assured only by responsible Government Officers being allowed to serve on Committees which are meant for progress and improvement. These Government Officers will take no personal interest in the collection of monies but will only guide and help the Committee with their mature experience and advice.

9. On behalf of the large body of devotees of this time-honored temple, the Committee will ever be grateful to Government (1) for their sanction of a grant of Rs.5,000 equal to the amount to be contributed by the public for the <u>urgent</u> repairs of the temple building and (2) for their permission to the Government Officers elected to serve on the Committee.

10. As President of this Committee, I submit this representation for the most gracious and generous consideration of Government and trust that it will receive their favourable consideration and meet early orders.

11. Copies of the resolutions of the Committee are enclosed for kind perusal together with a sketch and rough estimate for the repairs.

I have the honor to be,

Sir,

Your most obedient servant,

Hon. President.

Renovation Committee.
